

# Flint Insurance Scoop Top Award

As part of our Corporate Policy to recognise outstanding achievements made within the business community, *BUSINESS TODAY* has selected a number of forward-thinking companies that displayed a continual commitment to recognise best practice, innovative business processes and overall high quality customer-focused service. From these nominees a short list of finalists was then formed, who were assessed and scored on their individual merit. In line with this philosophy, it gives us great pleasure to announce that, having fought off strong competition, FLINT INSURANCE has been successful in winning the prestigious BA AWARD OF EXCELLENCE FOR SERVICES TO THE INSURANCE INDUSTRY 2007. As a completely independent Award Programme, recognising business excellence across a wide range of disciplines, the Business Achievement Award is recognised both locally and nationally.
